Burra Players make Rams Elite Squads: Congratulations to Burra players, Matthew Stewart (U9 Div.1) and Hannah Godwin (U11 Div.1) who have been selected to play in the Macarthur Rams Elite Squads for 2006.

After attending the Macarthur Rams Soccer Camp at Lynwood Park in the school holidays, Matthew was approached and invited to attend the Macarthur Rams trials, which were held over two nights at Lynwood Park. With 44 other promising players in attendance at the trials, Matthew made the final selection to the Under 9 team.

Matthew is into his 6th year with the Burraborang Soccer Club, having started in the Under 6's in 2001.

Hannah was spotted playing for the Razorback Schoolgirls Soccer team and invited by the Manager to attend trials for the Macarthur Rams and was selected for the Under 11 team. Hannah is now into her 4th year with Burraborang Soccer Club, having started in the Under 8's in 2003. We congratulate Matthew and Hannah and wish them good luck in this Sydney-wide competition.

U6 Yellow

6/5/06 v COL Blue: Another good game this week against Collegians at home. Ryan & Kaleb demonstrated some great saves for the team. Brayden, Aiden & Dylan all scored goals. Kirwen, Walter, Dylan & Bailey made some great breaks. Match Award went to Jack Murphy for his continued effort & great play, an excellent game. Well done Jack!!

13/5/06 v CBT: An early start for us this week over at Campbelltown. Aiden Rasmussen & Jack Murphy had their turn in goals & both boys were fearless as the Cobras had their shots at goals. Ryan Hanby received the Sport's Award this week for his continual bursts down the field after the opposition. Well done Ryan!!

20/5/06 v STM: A good game at home. Well done to Wally who scored two goals, both times he broke out of the pack & had a great run down the field. Ryan also had a great run down the field which almost resulted in scoring. Kirwen performed some great saves in goals in the second half. Brayden was also fearless as he saved goals in the first half. A good game for all the boys, very exciting to watch. Well done team!

27/5/06 v ESC Orange: We were out & about for an early 9am start at Eschol Park. The boys were all keen to play. Jack Murphy showed us his talent as he stormed down the field to score a goal in the first half. Well done to Kirwen, Bailey & Kaleb in goals, some great saves boys!! We are all working well as a team and are very proud of our boys!!! Match Awards went to Brayden & Kaleb, who both played a top game.

U7 Blue

6/5/06 v COL Red: A tough game against Campbelltown Collegians Red, with our team being defeated. Mikey scored our goal. Alex & Chad were our two goalies, both doing a great job. Our McDonalds Award went to Chad this week for his great effort throughout the game. Despite not coming out on top this time, the team played well against a very tough team.

13/5/06 v COL Green: A great game by us & our opposing team. Great defending by our two goalies, Mikey & Connor. Goals were scored by Connor, Mikey & Jarrod. Our McDonalds Award went to Connor for his great game as well as his fantastic defence in goal.

20/5/06 v COL Blue: We played a tough game today. James & Cade were our goalies & both did a great job. Cameron was on fire, scoring two very impressive goals. Our McDonalds Award went to James for his great effort in goal & on the field.

27/5/06 v CBT: We came up against the Cobras & a great game was played by all the team. Jarrod & Aimee were our goalies & did a great job. Our goal scorers were Jarrod & Mikey. The McDonalds Award went to Jarrod for his fantastic game both in goal & for his great second half.

U9 Div.1

6/5/06 v NAR Loss 2/1: Today's game could have gone either way and we were unlucky not to come away with a win. Narellan were up 1-0 when Matt S combined with Bryce to put in a brilliant goal which resulted from an indirect penalty. The game consistently went from one end of the field to the other with no let up and it was extra tough as the ref made an error and we played two 25 minute halves. Unfortunately Narellan came away with a late goal to win the match. Our team is putting in a lot of effort and overall team fitness has improved considerably. We need to hold our

positions better and get that final pass in a bit earlier which will result in more goals being scored. Today's McDonalds award went to our goal keeper, Thomas, as he saved a number of goals in his first attempt in the position and most valuable player was Matt P whose work rate, speed and fitness make him a star in the fullback position. A BIG thankyou also to Rod Ciantar & the U/11 Div 1 team who have been assisting us with our training.

13/5/06 v CAM - Loss 2 nil: Today's game was a huge improvement on last week with everyone working hard to stay in their positions. The score does not truly reflect the even contest that was displayed over the entire game. Matt S, Matt P and Connor were again standouts and Jarrod also had a strong game. Bryce made a number of great runs up the wing but we just couldn't finish off with a goal. Alec played his best game of the season tackling hard and coming up with a great header when he was the last in the defensive line. He also made a number of huge clearing kicks. Today's MVP was Thomas, who, although he has just started playing soccer, he ran hard all game and continually cleared the ball to hold the opposition back. The entire team should be proud of the way that they NEVER, EVER give up until that final whistle.

20/5/06 v TAH - Draw 1/1: Today's match was definitely one of our best. Players were holding their positions and putting the ball through on so many occasions. Bryce & Rick were linking up well and Bryce got a deserved goal under pressure. Carly was goalie today and made two brilliant saves that showed a lot of courage. Unfortunately Tahmoor scored a freak goal that even Schwarzer couldn't have stopped. Kaleb, who is normally our goalie, played mid field and consistently put his body on the line and tackled hard all game. His great efforts earned him the McDonalds award this week. James received the MVP trophy today as he continually cleared the ball when our team was under pressure and made numerous attacking runs.

27/5/06 v ESC - Loss 3/nil: Today wasn't our best performance and we came away with our biggest loss of the season. Eschol Park are a skilled team with brilliant passing and it is not hard to see why they are running second. Although down, our team never gave up and they should be proud of their attitudes on the field. Today the McDonalds award went to Jarrod who ran everything down, was brilliant with his throw ins and pushed a lot of ball through to the forwards. Once again Matt P was MVP and all I can say is as usual he was BRILLIANT! We may need to get his name permanently engraved on the trophy.

3/6/06 v HAR - Win 1/nil: We started the game with no reserves but we were confident we could win, as in our previous encounter we lost 1-0 with only 2:30 remaining. The whistle went and we came out firing. Once again Rick and Bryce linked up brilliantly and Bryce came away with a brilliant, well constructed goal. Andrew had his best game of the season becoming much more involved and Carly and Tony stepped up their defence today. Alec had a strong second half defensively and James was great in all areas. Once again Connor had a great game covering the field with his unbelievable speed. Hayden made numerous breaks up the wing and was unlucky not to come away with a goal, he certainly deserved it. Kaleb did brilliant work in goals consistently putting his body on the line once again. Bryce received the McDonalds award due to his great wing work, his improved passing and great goal and what a surprise we couldn't go past Matt P who again received the MVP award. Today was the perfect display of TEAM WORK and the win was well deserved.

10/6/06 v CSC - Loss 2/nil: Today's game was brilliant to watch and it was a close encounter with neither team scoring before half time. Our defensive line worked hard and our goalie kaleb was on fire saving at least four goals and also collecting the post with his head (not even that slowed him

down). Some great midfield work by Connor, Carly and Jarrod set up a few goal scoring opportunities but luck wasn't on our side. Matt P in his fullback role saved a certain goal through sheer speed and determination and Alec was like a brick wall in defence not letting the opposition through and coming up with a number of huuuge clearing kicks. For his hard work today Alec received the McDonalds award and the MVP trophy went to our very deserving goalie, Kaleb. With two minutes to go he came up with a spectacular diving save and was rewarded with a kick to the head and wrist by an opposing player after he had wrapped up the ball. Initially he could not even get to his feet but his courage and determination got him through the remainder of the game and his team mates were both inspired and very proud of his never give up attitude.

U9 Div.3

6/05/06 v TAH - Win 9/nil: Mitchell was really on fire today. Within the first few minutes he put a goal in and before long another, and by half time he had scored four. Graham came out of goals and was given a run in the forwards. Passing was superb resulting in Chris's goal. Connor's determination was evident. A nice pass from James sees Connor in perfect position to score his first goal. Graham was moved up to take a corner. A large kick into the centre has Ben nailing the shot to score 7-0. Another James cross has Ben waiting in the middle to fire a shot into the goals and scores again. Good throw from Graham lands at Peter's feet. Peter crosses to James and James just gets to the ball before the keeper and scores. McDonalds award to Connor after that fabulous goal and Marc R. for some fantastic passing, and Ariel's Award to James.

13/05/05 v APP - Win 1/nil: A tough game this week. Early on saw a number of missed chances. Sean's cross followed up by Jordan C. who puts the ball at Mitchell's feet to score a goal. 1-0 half time. Graham had a nice chance, the rebound shot on Mitch's left but saved by Appin. Well cleared by Peter to Mark N. who pushes Jack up the wing, Mitch crosses to Ben, but a great save stops the goal. Chris makes a great stop after they get past Mark N. James' cross has Mitch only to be saved by the keeper. Fantastic passing and many chances but the Appin side did some great keeping. McDonalds award to Sean and Mark N. Ariel's Award.

20/05/06 v CAM - Win 3/nil: We didn't seem to be really into it this morning. Connor had a sniffle & Mitchell sore legs from his Cross Country. However, Peter was really dressed for the occasion, with his hair in a coloured Mohawk & paint on his face, we thought he might scare the opposition away. Mark G. (our coach) decided today was the right day to announce our Captains and Vice Captains for the year, & of course you guessed it, it was Peter - Captain and Mitchell & Sean - Vice. Back to the game. They seemed to scramble a bit & had a few attempts at goal. Finally Mitchell got one in & they all woke up. Just before half time James scored a great goal. As the second half began it started to rain lightly. Graham (our goalie) scored after a great pass from James. Well done. James did well continually pushing the ball up the side. Graham was still going well & managed a great pass to Jordan C. who did a huge kick at goals but just missed. Alex did some great footwork throughout the game to take Ariel's Award and McDonalds going to Graham.

27/05/06 v ESC - Win 6/nil: Great cross from Alex to Jordan C. First kick stopped but second into the net. Sean has a runaway but stopped just short. Corner from Jordan to Connor, Connor lays off to Chris and straight into the net. ESC gets a penalty on 18 yard box. Our training pays off with a nice wall and kick goes straight into Grahams hands. Nice keeping. Good team work sees James kick over keepers head, 3-0. Another great pass from James straight to Jordan C. and straight into the net 4-0 half time. Beautiful run up the wing then a perfect cross to Jordan C. and shot just goes wide. Shots are plenty from Jordan M. and Graham but good keeping has score low. A goal kick straight to Graham and a nice high shot into the net to score, 5-0. Alex and Jordan are desperate to score and keep trying really hard. Good defending by Jack pushes the ball wide to Mark N. Mark hits straight up the wing to Jordan and he runs all the way and scores. McDonalds award to Alex

and Sean gets Ariel's award.

U11 Div.1

6/5/06 v CUC - Draw 2 all: This was a hard fought out game with opportunities going either way. Our team is still finding its way back into the top div. However, it's a great feeling when your opposition coach says 'welcome back Burra to Div 1' (as we played them in U9 Div 1). Once again we are proud to be part of this team.

13/5/06 v GUN - Win 2 /1: I rushed to get to the game when it was about 15 mins into it and we were 1 nil down, and then as usual we tend to storm home in the second half with two goals. Our team really holds up well in the back line and goalie, which, week in, week out, keeps us alive in most games. However, we still need and have our midfielders and forwards to persist and work hard & together and as a result we had a win.

20/5/06 v STM - Loss 3/nil: This was a rough and tough game with a lot of pushing etc. However this was by far the best drilled team as they marked us up extremely well and gave us a hard time which has made us realise that we need to change some of our plays and step it up. However, our team still stood tough and did our best on the day, coming away with bruises and tired bodies. Good effort and well done team.

27/5/06 v ESC - Draw 2 all: We started very slow again and were 1 nil before we knew it. Once again we had to dig deep and fight back and we grabbed the draw with about a minute to go. With a new position for Tom to help hold up the Mids working very well, allowing our team to pass the ball around the field as we are aware now that our positioning and game play will change every week. This was a great game of soccer to watch as the skill level is very high. Some of our best on the day were DJ, Michael and a very committed Ben. Our thanks also to Gerard for helping us out this week.

3/6/06 v CSC - Loss 4/1: This was windy as windy at Camden on this Day. Both teams took the field and from the first kick off we all could see that it was going to be hard. The Tigers seemed to cope the best in the conditions and went to a 3 to 1 lead at half time. With only 1 goal scored in the second half it proved that we can adjust and play in any conditions. But now we just have to do it a little quicker. Our team had some hard knocks and hits in what was by far our best game for fairness and great sportsmanship from both teams especially when the only girl in the div. was carried hurt from the field after putting herself in the heat of the defence, saving what could have been another goal. Well done to and thanks to both Burra and the Tigers for a great match. The Tigers have only lost 1 match and that was to us in the first round so heads up and lets keep playing the great soccer we can. We gave out 2 awards this week, 1 to Nick who had his personal best game for the season (great cheering by Dad today) and the other to Brett who always tries his best and does well in defence.

10/6/06 v NAR - Loss 1 nil: The table leaders were in real trouble all game as Burra were on fire, but towards the end they just had too many players as they took a corner and the ball hit one of them in the belly to roll over the line. Our team should hold their heads high as we gave it our best shot and showed them that we can do it. I could have given out 14 awards today but gave 2 out, to Sean and Lachlan, for their hard fighting for control of the ball and some never die attitude We gave out a 3rd this week on behalf of the parents of NAR who just keep saying how good is that little bloke doing the sweeping for Burra (even after the game they were still talking about him) so well earnt & done Captain Hayden. Well done under 11 Div 1.

24/6/06 v COL - Draw nil all: We dug deep and just couldn't break through. Most of our team played in a big Gala day on Friday with some of the team (from Oakdale School) winning the Gala day and most of the rest from (The Oaks School) coming second. So I think a lot of the team were tired. There was a scary moment where the COL had a penalty in the box only to have it saved by

our goalie, Liam. What a star Liam! And it's back to some more training and fitness for all of us. Well done team!

Mark, Karen and Rod.

A special thanks goes to Jarred for running the line on our home games, Shane for being our ref and for the support from all the club committee on home games.

Thanks from the Under 11 Div 1.

U11 Div.5

6/5/06 v ING - Loss 2/1: This was a close game that we would have won if you counted the two great goals scored by Loris & Robert H. that the ref. disallowed (*NOT HAPPY JAN!*). Everyone played well today, with Andrew scoring the first goal of the match after many of his other attempts were stopped by their goalie. Our backs showed some great defensive work, especially Thomas, Robert A. & Zeke, with Zeke earning the Player of the Match award for showing great improvement, with some big defensive, clearing kicks & getting more involved in the game. Well done Zeke! Tyson, who's also new to the game, is also showing great improvement and is getting more involved in the game play and attacking the ball. Keep up the good work everyone!

13/5/06 v MTA - Loss 3 nil: This was a tough game against a very 'tall' Mt Annan team, but our kids played a great game, attacking and dominating play in the first half, with the game scoreless at half-time. Unfortunately, it all turned around in the second half and we found ourselves fiercely defending our goal with Mt Annan eventually scoring three goals. ALL our kids are showing great improvement and are attacking the ball and getting more involved in the play. Gerard McGookin was our Player of the Match for putting in an outstanding effort throughout the game (he's shaken off those cobwebs after a year's absence from soccer). Well done Gerard! Great work everyone!

20/5/06 v APP - Win 10 nil: Today's game was a good show of team work with goals (Woody 4, Lolly 3, Kian 2 - his first) & shot's at goal (Gerard, Jess & Rob H.) spread over half the team. Gerard set up a lot of the goals & this was typical of today's game with passing & teamwork being the name of the game. Michael Rodgers was our Macca's winner today. P.S: I know this only adds up to 9 goals so I apologise to whoever I missed out on.

27/5/06 v ECA - Win 6/nil: We defeated East Campbelltown 6/nil last time too but we weren't sure what to expect today as we had five players absent (*most on Cub Scout Camp*) and one playing but not feeling 100% after being sick all week. We borrowed Bryce Roberts and Jarrod Campbell from the U9 Div.1 team and they played a fantastic game for us and straight after playing their own team's game too. Thanks guys!! At half-time the game was scoreless but we were 'on fire' in the second half with some great goals coming from Loris (after a great cross from his brother, Bryce), Gerard - 3 (a hat-trick), Bryce and Robert H. Luke and Jessica filled in for our regular, but absent, goalies today and did a good job, with Luke Campbell earning our Player of the Match Award. A pat on the back for Andrew Wood who played today despite having been sick all week and he, unexpectedly, lasted most of the game until coming off injured towards the end when a ball was kicked in his face. Keep up the good work everyone!

3/6/06 v RUS - Win 3/1: What a great win today against Ruse who were undefeated and leading the comp. We were down 1/nil at half time but we were really dominating the play throughout the game. Gerard kicked a spectacular goal in the 2nd half and followed this with two more great goals (another hat-trick), with quite a few near misses as well. Robert H. also had a great attempt at goal. Robert A. was particularly outstanding as our very determined sweeper and defender, saving us many times. Amelia and Luke showed some great teamwork in the wings, bringing the ball down

the field many times. It was very hard to choose only one Player of the Match today but Kian Parkes earned it for his consistently great goalkeeping, especially one very close and difficult save towards the end of the game.

WELL DONE EVERYONE!!

10/6/06 v LEP - Win 4/nil: We're on a roll kids! Another great win today. Teamwork is really starting to come together now and it really stood out today making Leppington look messy on the field. Our kids are starting to look more structured with everyone holding their positions more. Gerard scored all four goals with Luke nearly scoring for us as well. Thomas Downey was our Player of the Match today for working hard and getting more involved in the play. Keep up the good work!!

U13 Div.4

1/4/06 v COB - Win 3/nil: Our first match of the season was at home and we had a 3-0 win with goals to Michael H and Jack. Josh continued to run like the wind where ever the ball was and David made some sensational shots back up to the forwards.

8/4/06 v LEP - Win: Another strong win this week. We concentrated on our passing. Several moments of brilliance were evident with Edward in all of them. All forwards made multiple shots at goal with Jake, Jack, Edward and Michael C (POM) making it through to the back of the net. Wade and Talia did a good job of feeding the ball forward and Mitchell continued to run down anything that moved. Jayden and Jarred again shared the goalie jersey and both were sensational stopping multiple attacks. Second half saw Jarred injured stopping a great ball. Jayden completed the stint after Jarred came off.

22/4/06 v STM - Win 3/2: Not our best match especially considering they could only field nine players and we had 11. We even brought Kian Parkes up from the U11s to give our players a rest. He had a top game even trying to score from mid field. Wade had a top first half but was disappointed about the oppositions tackling skills. Joshua (POM) tried hard to please everyone and did. He ran hard, passed the best and was the fairest player on the day. Michael H scored all 3 goals and was well set up by his team for two goals and a brilliant head into the net for the third. Callum headed a huge kick that saved a goal and left him dizzy. David had a great kicking game. Mitchell continued to prove to be a wall to the opposition's attack. It was good to see Talia take the ball up to the goal for a good attacking manoeuvre.

29/4/06 v MTA - Win 5/1: The best the team has played to date. It was hard to choose a POM but Wade has been playing consistently well and had a great game on the day. The ball was being deliberately passed around the field out playing the competition. Scorers Michael H, Edward, Jake and Jayden were well set up by the halves and each other. Michael C just missed several shots with one blinder just clipping the top bar which was picked up by our forwards on the rebound for a goal. Luke ran like a demon and with the other two backs continued to run the ball down and boot it back up to the front.

6/5/06 v ING - Loss: Our first loss. This match will be best remembered as the one where the coach can't count to 12.

3/6/06 v MTA - Loss 3/2: A 3-2 loss after a 2-0 lead. Despite the score we were the dominant team with 3 shots at goals to each of their one. We couldn't sustain our momentum in the second half. The backs had a blinder of a game in the first half with Callum (POM) connecting big time with a huge direction changing kick. Luke and Jarred were all over the ball confounding their forwards and driving the game up the field.

10/6/06 v ING - Win 5/3: Our first match in the rain and our best match to date. Everyone played a

blinder. Everybody was POM.

All Age Ladies

Round 1 v HAR - Win 7/nil: We started the season with an impressive win over Harrington Park. Everyone played very well and seemed to enjoy the first game.

Round 2 v MIN - Win 3/1: On a very warm day we were leading 1 nil at half time. A little bit of improvement was needed for the second half which they did, scoring two more goals.

Round 3 v STM Green - Win 4/nil: Playing away and on a very rough ground, the girls came away with another great win, making them happy with three wins on the trot.

Round 4 v STM - Loss 6/nil: A game I think the girls would like to forget, receiving a few injuries and some unlucky penalties.

Round 5 v NAR - Draw nil all: A very hard fought game with only 10 players and they put in 100% and kept an undefeated side to a nil all draw. Well done girls!

I would like to thank our Player of the Match sponsors:

The Dome Cellars.
